## Web Developer

☎ 201040661625 @ osamaalsrraj3@gmail.com 🔗 linkedin.com/in/osama-alsrraj 📍 Cairo,Egypt

## SUMMARY

I am a passionate and experienced software developer with a strong background in both front-end and back-end development. I specialize in building scalable and efficient web applications, ensuring seamless integration across all layers of development. My expertise spans a variety of technologies, allowing me to create user-centric, dynamic experiences and solve complex technical challenges.

## EDUCATION

bachelor of information technology

Islamic Univirsty Gaza

📅 09/2021 - 09/2025 📍 Gaza, Gaza Strip

## EXPERIENCE

Frontend Developer

ValueKlip

📅 11/2024 - 01/2025 📍 Remote

Software development

- Design, build, test, and maintain a user-friendly website by using best practices in web development, security, and data protection.
- Evaluate code to ensure it is valid, properly structured, efficient, reusable, maintainable
- Optimize the website for maximum speed, performance, and scalability
- Ensure seamless integration of APIs with back-end services and databases
- Collaborate with the product manager and client to understand requirements and provide technical solutions.
- Collaborate with the UI/UX designer and back-end developers to create responsive and visually appealing websites
